## Community Lifeline

---

Grace Church is about one simple reality... Hope for everyone and a home for anyone. Love. No matter what. At Grace, our desire is to create a safe space where everyone feels loved and cared for. We strive to teach applicable messages that apply to everyday life in a “come as you are” atmosphere.

We are thankful for our partnership with Grace Church of Arvada. They provide a multitude of different resources through their ministry. For those that are looking for a deeper sense of community or curious about discovering more about their purpose in life then this is the place for you. On top of their weekend services you can find a variety of support classes.

### Care & Support Classes:

- Classes centered around marriage, divorce care, parenting, mental health, blended families, griefshare, and budgeting. To find out more about these classes visit the website: <https://www.gracechurchco.com/support>
